

# 4X4 ACCESSORIES

## NEW PRODUCT ADVICE

### DESCRIPTION:

Deluxe Combination Bar

### APPLICATION:

Holden Colorado 2008 On (except petrol 4x2)

### PART NO:

3448360

### AVAILABILITY:

Now

### FEATURES:

- Durable steel construction for maximum protection
- Winch compatible bars suit Warn and Magnum\* low mount up to and including 9.5XP and XDC
- Provision for driving lights (round and rectangular) & two CB aerials
- Recessed indicators includes provision for optional fog lights
- Superbly engineered, air bag compatible mounting system secures to chassis using high tensile bolts
- Split pan design for optimum strength and airflow
- Hi-Lift jacking points
- Tapered & upswept wings provide optimum strength & approach angles
- Cover straps attached to the uprights ensure there are no exposed edges
- Finished in a hard-wearing black powder coat with the option to colour code
- Note: A commercial bar has also been developed for the Holden Colorado. Forgoing some of the aesthetic features of the Deluxe Bar, it is an affordable alternative for vehicle owners. For further information on this product and others in the Colorado range, please make use of the **range by vehicle** function at [www.arb.com.au](http://www.arb.com.au)

\* Fitment of Magnum winch may require additional parts and labour due to design of control box
