

4X4 ACCESSORIES

NEW PRODUCT ADVICE

**DESCRIPTION:**

ARB Touring rooftop tent - Simpson II

APPLICATION:

Most late model 4WDs

PART NO:

ARB101

AVAILABILITY:

Now

FEATURES:

- Efficient manufacturing processes ensure extremely competitive pricing
- Built using high quality, polyester/cotton fabric – breathable, waterproof & mould resistant
- Able to be mounted to the rear or side of a vehicle or trailer
- Comfortable 65mm high density foam mattress with removable cover to facilitate cleaning
- Sturdy, aluminium retractable ladder
- Insulated aluminium framed and clad base reduces weight and helps prevent cold seeping through the floor
- Window awnings supported on spring steel stays which allow for windows to be opened during rain
- Flysheet raised above the tent on multiple bows to keep the tent cooler in sun and eliminate condensation in the cold
- Doors and windows are protected by insect screens, permanent air vents reduce condensation
- Bungee cord system to assist with packing away the rooftop tent
- Enhanced mounting system – no need to drill into roof rack or bars – simple to install and remove when not in use
- Comes complete with mounting hardware, spanners and comprehensive instructions
- Size: 1400mm wide x 2400mm long x 1300mm high
