

4X4 ACCESSORIES

NEW PRODUCT ADVICE

DESCRIPTION:

High output on-board air compressor

APPLICATION:

Vehicle mounted

PART NO:

CKMA12/24

AVAILABILITY:

Now

FEATURES:

- Two models available: 12V (CKMA12) or 24V (CKMA24)
- Sealed for moisture & dust resistance
- Hard anodised cylinder bore & teflon impregnated carbon fibre piston seal for reduced friction & maximum trouble free life
- Anodised mounting bracket dissipates motor heat & allows compressor to be repositioned 180°
- Heavy duty Maxi-Fuse equipped for professional in-line circuit protection
- Quality components for quiet operation & extra long life
- Constructed entirely of lightweight, high strength engineering grade materials
- Over-pressure safety valve equipped
- Relocatable splash resistant air filter assembly for cleaner, cooler air supply
- Motor is internally thermal protected against extreme temperature damage
- Kit includes full wiring loom, Air Locker solenoid plug in contacts, mounting hardware, reinforcing bracket & quality isolating switch
- Optional tyre inflation kit sold separately
- Flow rate (under no load): At 0Kpa (0PSI): 75.1 (2.65CFM) litres/minute & (under load): At 200Kpa (29PSI): 61.6 (2.18CFM) litres/minute
