

4X4 ACCESSORIES

ARB CORPORATION LIMITED

ENVIRONMENTAL POLICY

ARB is the largest designer, manufacturer and importer of after-market and original equipment bull bars and 4wd accessories in Australia. As a leader in this field, ARB Corporation will always conduct its business in an environmentally responsible manner endeavouring to minimise any impacts of its activities on the environment.

ARB is committed to:

- Maintaining a management system compliant with the requirements of ISO 14001
- Complying with all relevant International and Australian Standards, legislation, regulations and subscribed codes of practice
- Continually improving our environmental performance and adhering to the principles of cleaner production
- Preventing pollution.

To achieve this, we have implemented environmental objectives and programs to use resources efficiently and to minimise waste production. Where practicable we redesign products and processes to improve environmental performance. We will commit sufficient resources to enable our environmental objectives to be met.

ARB regularly monitors and reviews its environmental programs and ensures they are compatible with quality assurance and occupational health and safety systems.

The environmental policy and programs are communicated to all employees. Stakeholders, including customers, contractors and suppliers will be made aware of ARB's environmental policy. The policy will be made available to the public.

ARB will engage with state and local government authorities and the community in developing responses to issues of environmental concern as required.
