

## THE ADVENTURES OF FOURBY AND FRIENDS

LAST ISSUE, WE LEFT FOURBY AND ARIEL CAMPING IN A STORM AFTER THEY WENT THE WRONG DIRECTION ON THEIR 4WD ADVENTURE...

DESPITE THE COLD, THE DARK AND THE RAIN, FOURBY AND ARIEL HAVE COME ON THIS ADVENTURE WELL PREPARED SO THEY HAVE ENOUGH FOOD AND SUPPLIES FOR THE NIGHT.

WHEN IT STOPS RAINING THEY LIGHT A FIRE AND HUDDLE AROUND, TOASTING MARSHMALLOWS AND TELLING SCARY STORIES.

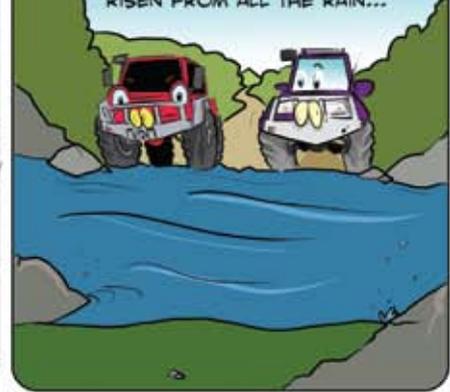

THE NEXT MORNING IT'S BRIGHT AND SUNNY AGAIN!

AFTER CHECKING THE MAP FOURBY AND ARIEL HEAD FOR HOME.

HOWEVER THEY HAVE TO CROSS BACK OVER A RIVER, AND ITS WATER HAS RISEN FROM ALL THE RAIN...

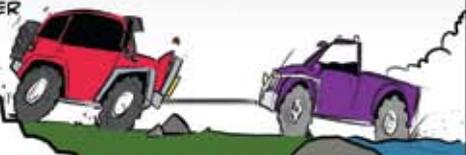

FOURBY GOES FIRST AND MAKES IT OVER SAFELY, BUT ARIEL GETS STUCK HALF WAY. THE WATER IS RUSHING PAST AND SHE'S SCARED!

QUICK AS LIGHTNING, FOURBY TURNS AROUND AND CONNECTS HIS WARN ELECTRIC WINCH TO ARIEL.

HE WINCHES HER TO SAFETY!

THEY ALWAYS TRAVEL TOGETHER SO THEY CAN HELP EACH OTHER OUT IF ONE OF THEM GETS STUCK!

FOURBY AND ARIEL CONTINUE ON TOWARDS HOME AND FINALLY THEY MAKE IT BACK ONTO THE HIGHWAY.

FOURBY DROPS ARIEL OFF AT HER HOUSE BEFORE HEADING HOME.

FOURBY KNOWS HE SHOULD UNPACK BEFORE HE GOES TO BED BUT HE'S SOOOO TIRED...
