

Fourby's Cartoon #1

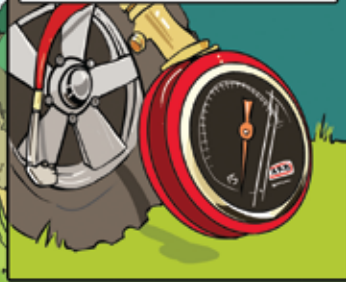

ARB 4X4 ACCESSORIES

THE ADVENTURES OF FOURBY AND FRIENDS

FOURBY'S SUPER EXCITED BECAUSE TODAY HE'S GOING BEACH DRIVING WITH HIS 4X4 CLUB.

BEFORE HITTING THE SAND, THEY LOWER THEIR TYRE PRESSURES TO 15 PSI FOR MAXIMUM TRACTION.

EVERYONE'S HAVING A GREAT TIME ON THE BEACH, BUT THEN, FOURBY'S PAL, ARIEL, DRIVES INTO SOME SOFT SAND AND GETS STUCK!

ARIEL TRIES TO DRIVE OUT, BUT SHE JUST ENDS UP SINKING DEEPER INTO THE SAND... AND THE TIDE IS COMING IN!

LUCKILY FOURBY HAS PACKED HIS ARB SNATCH STRAP...

...AND HE MANAGES TO PULL ARIEL TO SAFETY.

PHEW! WHAT A LUCKY ESCAPE! BACK ON THE ROAD, THE GROUP PUMPS THEIR TYRES UP AND HEADS FOR HOME. WHAT A DAY!
