

### THE ADVENTURES OF FOURBY AND FRIENDS

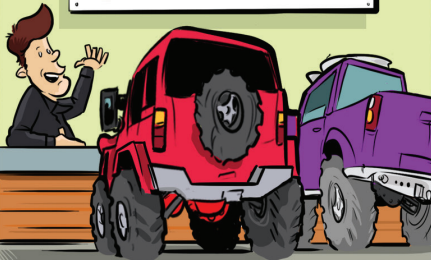

REALISING THEIR BIG TRIP ISN'T TOO FAR AWAY, FOURBY AND ARIEL DECIDE TO HEAD TO THEIR LOCAL ARB STORE.

THEY HAVE A LIST OF ITEMS TO PICK UP BEFORE THEY LEAVE...

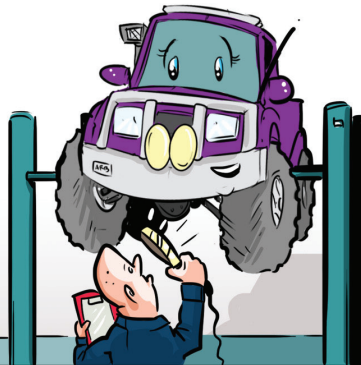

- JERRY CAN
- SNATCH STRAPS
- SNOW CHAINS
- PUNCTURE KIT
- COFFEE MUG
- MAPS
- TORCHES
- ROOF RACKS

...WHILE AT ARB, THE FRIENDLY STAFF SUGGEST THAT THEY GET A PRE-TRIP VEHICLE CHECK UP.

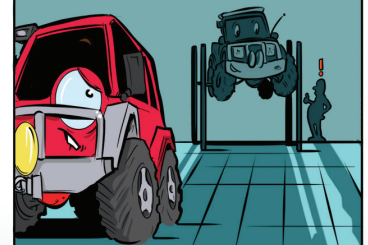

**ARB SAFETY CHECK!**

ARIEL GOES FIRST AND THEY CHECK OVER HER ACCESSORIES, TYRES AND SO ON.

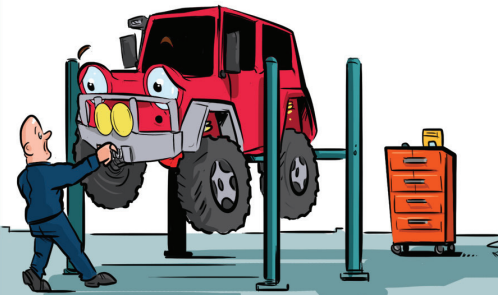

FOURBY IS A LITTLE NERVOUS

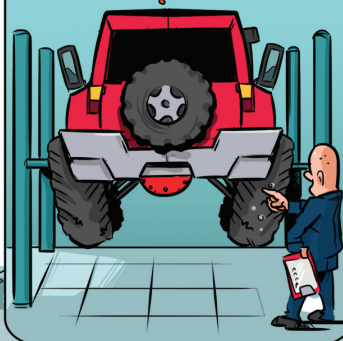

BUT ARIEL ASSURES HIM IT DOESN'T HURT A BIT.

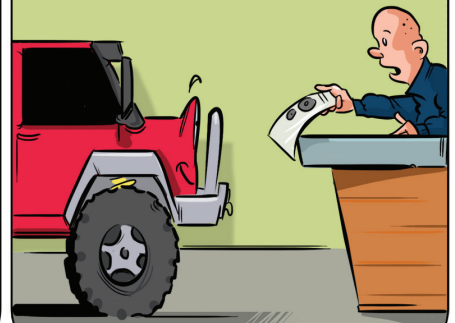

FOURBY SITS VERY STILL WHILE THE MECHANIC LOOKS OVER HIM. THE MECHANIC ENSURES FOURBY'S LOCKER AND WINCH ARE IN GOOD WORKING ORDER....

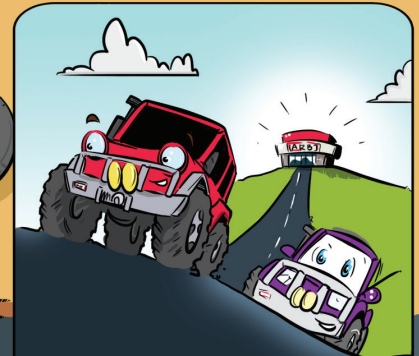

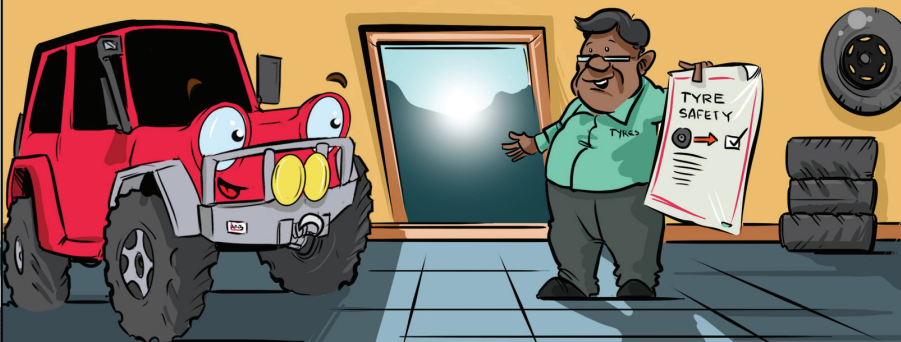

BUT FINDS THAT HIS TWO REAR TYRES NEED REPLACING.

THE MECHANIC REFERS FOURBY TO THE LOCAL TYRE SHOP WHERE FOURBY GETS FITTED WITH TWO NEW TYRES THAT FEEL GREAT!

THE TYRE SHOP LETS FOURBY KNOW HOW IMPORTANT GOOD TYRES ARE, ESPECIALLY WHEN PLANNING ANY KIND OF TRIP.

FOURBY IS VERY GLAD HE GOT A CHECK UP BEFORE THE BIG TRIP!
